decorative eaves trim

Enhance and personalise the internal look of your conservatory by using decorative trims.

To help you add the perfect finishing touch to your conservatory, the range is available in a wide variety of different, distinctive patterns.

Available as standard in White, Rosewood, Mahogany and Golden Oak, the trims are also available colour-matched to other finishes to best complement your choice of conservatory colour.

This range of decorative trims allow you to stamp your own individual style on your favourite room. In fact, there's no easier way of customising a new conservatory or revitalising an existing one!
